

CREÅTIVE STEEPING Insights for "Stepping Into Your Self" Event Series

Core Philosophy

CREÅTIVE STEEPING is "an immersive and experiential in-venture — a hyperconnective journaling practice to, and for, the fierce creative nature within you."

Key Principles:

- **Ritual and Journey:** A veneration of human spirit in pursuit of self-awareness, creative expression, and identity
- **Collaborative Introspection:** Catalyst for growth and proactive uplift
- **Structure with Self-Study:** Guided process to traverse the majesty of inner landscape
- **Physical + Metaphysical:** Integrates tea-making with self-exploration
- **Mythic Narrative:** Stating the mythic narrative of your genius

The Seven Steeps Structure:

1. **Essence of My Being** – Your Core Essence
2. **Mosaic of Experience** – Your Creative Journey to Now
3. **Summits of Aspiration** – Your Goals and Aspirations
4. **Mirror of Self-Perception** – Your Perception of Self
5. **Labyrinth of Challenges** – Your Current Challenges
6. **Conclave of Voices** – Your Audience and Your Echo
7. **Crown Jewels of Individuality** – Your Unique Offerings to The World

Methodology:

- **REFLECTION:** Sit and Sip with contemplative insights
- **INTERACTION:** Wonder and Wander into journaling prompts
- **INVOCATION:** Introspect and Connect with imagination
- **Ritualistic Practice:** Daily contemplation over seven days
- **Mindful Integration:** Physical act symbolizing infusion of insights

Key Metaphors:

- Tea steeping as consciousness development
- Lily pads as stable platforms for experience
- Fire dancing as essence within
- Flavors infusing the world with signature
- Poetry as life expression

Connection to Event Series:

The "Stepping Into Your Self: Journaling the Obliteration of Your Limits" series directly translates CREATIVE STEEPING's philosophy into movement-based practice, maintaining the core elements of journaling guidance, collaborative contemplation, and ritualistic approach to self-discovery.
